Canteen Report:

No formal canteen report submitted. Megan Elliott-Rudder reported on her discussions with members of the canteen committee. There was some interest in the idea of a large fund-raising and social event for school families later in the year, like a trivia night or open garden. Organising an event like this may be a role for a fund-raising committee that may include the canteen committee and interested members of P&C.

Principal's Report:

Acting Principal Kingsley Ireland delivered the Principals report.

The KHS Principal position was offered to Janine McGrath you initially accepted the position but then has taken another more senior position offer – so the Principal position is again vacant.

Department of Education has not yet started the process again – we are hoping advertising for this position will begin later this term. Therefore the position will not be filled until we are well into term 2.

All other staffing positions are filled – the new Head Teacher Special Ed is Danielle Cox

Kingsley discussed with the P&C the staff development day for term 4. Last day of term 4 will be16 December 2016 for all students and teachers.

The school fund raising raffle raised \$7500.00 – a great effort. KHS will put in a joint funding application by the end of March 2016 stating that we have \$21000.00 + \$7500.00 from the raffle – asking Department of Education to match our savings so that we can get the COLA built by the end of the year.

Postage is currently very costly and slow. KHS will be asking parents for their email addresses to be used where possible. KHS are thinking of purchasing a management program to assist with this – when it is purchased Kingsley will organise a demonstration for the P&C.

The school newsletter The Ziegler has changed from Fridays to Tuesdays.

General Business:

Uniform was raised for general discussion. It was noted that the Lowes contract is due for renewal towards the end of 2016, which is a commitment for several years involving a percentage returned to KHS. Uniforms need to be distinct for KHS compared to other Wagga schools, of sturdy material, affordable and possibly more modern such as a two-tone polo shirt.

KOORINGAL HIGH SCHOOL P & C MEETING

Action: Sharon Regan to be invited to the next P&C meeting to discuss uniforms.

In the meantime all the P&C committee are encouraged to think about the current uniform and bring all ideas to the next meeting.

Lockers were raised. Kingsley thinks that there is currently no room for lockers but is happy to consider the issue.

Action: Kingsley to chat with other staff and will bring back to the next meeting ideas re lockers.

Amanda Yeo raised the idea of offering Dan Bedgood – Life Member of the P&C – this was well supported by all.

Motion: Dan Bedgood to be nominated as a life member of the P&C

Moved: Amanda Yeo

Seconded: Megan Elliott-Rudder

Meeting closed at 9.10pm

Next meeting will be held on 22 March 2016
