TAX DEDUCTIBLE DONATION – 30th JUNE 2016

To the Koorungal High School Community

Thank you for your generosity so far towards the KHS P&C Association Building Fund. The purpose of the fund is to raise money for building projects to enhance our school and to benefit all students. The current project is to have a covered shelter above the quad in front of the KHS Canteen, approximately 150 square metres. The shelter will protect students from the rain and sun and provide an additional all weather teaching area for class activities.

The KHS P&C Building fund is registered for Tax Deductibility. NOW is the perfect time to donate if you wish to claim your deduction in your 2016 tax return. Your generous donation is fully TAX DEDUCTIBLE if submitted before 30th June 2016. All Building Fund donations over \$2.00 can be issued with a receipt for your tax return.

- Donations may be made by any of the following methods:
- 1) Cash
 - 2) Cheque written to **'KHS P&C Building Fund'**
 - 3) Direct Deposit

Whichever method you choose, you must return the slip below to the Koorungal High School Office in order for a receipt to be issued to you for tax purposes. In the case of payment by Direct Deposit, You **MUST** also attach a copy of your internet banking deposit receipt.

Anyone in the community may donate e.g.: parents, grandparents or companies. Thank you in anticipation of your support.

Yours faithfully

Dr Megan Elliott-Rudder
President, Koorungal High School P&C Association
