

WH&S White Card Training for Year 10 Students

27th March 2017

Dear Parent/Carers,

Your son/daughter has indicated they are interested in attaining the WH&S White Card Induction Training for Construction. The 6 hour training is mandatory for students who wish to participate in work experience in construction based career areas, such as: carpentry, plumbing, bricklaying, concreting, electrical, tiling, painting, landscaping, civil engineering, architecture, drafting etc.

The WH&S White Card training will cost \$60. Course dates are Wednesday 3rd May and Wednesday 10th May. Course duration will be from 8:30am to 3:30pm – **late-comers on the day will be unable to complete training.** The course cost covers teacher casual relief, workbook/materials and the compulsory Work Cover fee. Numbers are limited (please be aware this will be the only opportunity to participate in WH&S training at KHS this year). **Please note that DET does NOT recognise online White Card courses.**

To participate students need to pay by Wednesday 26th April at the KHS Front Office/or online. If you have any questions relating to this training please call me on 6922 5153.

Yours faithfully,

Kirsten Fitzgerald
Careers Adviser
